Ref : St/I Office Notice No. 107, 18 February 1957.

In relation to the sociological situation in postwar Hungary, comment on:

- (1) Housing situation in general, rural and urban conditions, conditions in Budapest.
- (2) Relation, if any, between housing conditions and
  - (a) health conditions
  - (b) low worker productivity
- (3) Are there any indications that the urban housing shortage has been causing a postponement of marriage by some young couples; has been promoting a trend toward delaying a family or toward smaller families.
